1. I understand and agree that my \$500 waiting list fee is non-refundable. I am not guaranteed my puppy of choice or gender of choice; however, I understand that I can defer my place in line, one time, and add myself to the next available future reservation list if my puppy of choice is not available during my selection time.

_____ I understand and agree to the terms and conditions.

2. When a client pays a non-refundable waiting list fee, they are placed on the waiting list they have selected above. This fee can not be transferred to someone else or to be transferred to another waiting list.

_____ I understand that my reservation fee places me on one reservation list. When I choose my puppy, my reservation will be removed from the list.

3. We announce a litter once it is confirmed by ultrasound, but this *does not* guarantee the timing or viability of a litter, due to the nature of pregnancy, whelping, and puppy rearing.

_____ I understand and agree that the timing and viability of a litter can not be guaranteed.

4. I understand that the breeder has the right to reserve any puppy or puppies from any litter without notice for the preservation of their breeding program.

_____ I understand that the breeder reserves the right to reserve pick(s) of the litter

5. I understand that the waiting list selects puppies in the order the deposits are received. Clients can choose any of the puppies available to them at their selection time. Selection day commonly occurs between 5-7 weeks of age depending on the development of the litter. Clients will be notified of their selection day and time no less than 5 days prior to a selection day. If a client is not in attendance or unreachable during their confirmed 1-hour selection timeframe, this will be considered a pass and they will be taken off the waiting list and not assigned to another selection list. If this occurs we will require a new reservation fee to rejoin the waiting list.

_____ I understand and agree to the selection day process.

6. Prices of our puppies are determined based on their colors and markings at 4-6 weeks of age.

- Perfectly marked tri-colored, blue eyes and merle puppies are \$3,500-\$6,000.
- Bi-colored, single-colored, sables and abstract tri-colored are priced from \$2800-\$3500.
- We offer one Premium Puppy Pick per litter for \$7,000. This allows a client to skip the waiting list and select the first pick after Breeder's selection if applicable. (See point 4) This selection was created for clients looking for something specific or who need precise timing.

If color references are needed please request our Puppy color guide.

_____ I understand that pricing is determined by the breeder and is determined by color.

7. A *Purchase Agreement*, *& Spay/Neuter Contract* has been provided.

_____ I have read through the Dog Health Warranty, Purchase Agreement, & Spay/Neuter Contract, and understand and agree to the terms.
